I've received similar motions in the past, and can provide most of the information. I'm currently working on 4 other discovery packets, but I will get to it next week.

Ms. Farak: I am currently assigned to the Hampden County DA's Office in Westfield District Court. I have attached a Motion for Discovery Pertaining to State Laboratory. After speaking with prosecutors in Springfield District Court, it was suggested that I forward the motion to you to see if you could assist me in responding to the motion. It would be greatly appreciated if you could email me or call me and let me know if you have encountered such a motion.

Many thanks,

Mary Partyka

Westfield District Court
